UNIONVILLE - ONTARIO

Saturday, October 20th, 1956

Invitation

1956 marks our 20th consecutive annual sale of Shorthorns at Unionville and also the first in which we unite with our good neighbours at Klaymor to stage one sale in place of the two, hitherto held separately at Klaymor and Glenburn.

In combining our efforts, supported by select drafts from the Massey-Harris and Scott herds, we are able to catalogue a group of cattle that surpasses any we have yet offered.

Featured this year are the first calves at Klaymor from the favourite bull of the 1954 Canadian shows, Kilburnie Augusta Ransom, whose get in the Kilburnie herd recently placed 2nd at the Canadian National Exhibition at Toronto, and 1st at London.

The first calves by Glenburn's new sire, Moray Jackaroo, are now arriving in the pastures, and most of the Glenburn heifers carry his service.

We cordially invite you to join us at Klaymor on Saturday, October 20th. We are proud of the continuing success of our productions sold in earlier sales, and of the number of customers who repeatedly return to make further selections, but we are convinced that this offering surpasses all our former efforts.

Treat yourself to a week-end that is outstanding in the Shorthorn calendar — Saturday at the Klaymor-Glenburn joint sale, proceeding on Sunday to Peterborough for the Louada Manor Farms sale on Monday.

K. E. DEACON,

Sale Manager

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are tested Federally for Tuberculosis and for Bang's Disease unless officially vaccinated. All papers necessary for export will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book at the usual \$10 fee except Scott entries from imported dams.

6. We will not be responsible for accidents that may occur. As soon as cattle are sold, they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of cost. Neither the Sale Manager nor the Clerk assumes any liability, legal or otherwise.

7. **TERMS**—Cash. Settlements must be made with the clerk immediately after the sale.

The Glenburn Consignment

As runners-up for the awards of Premier Exhibitor and Premier Breeder at the 1956 Canadian National Exhibition, we at Glenburn rejoice in the success of our productions, and feel that this is tangible proof of continued progress in our breeding programme.

Phopachy Diplomat, now nearing his 10th birthday, continues to prove his value as a sire. Few bulls have matched his consistency. Year in and year out, we learn of the success of sons and daughters from coast to coast in Canada and the United States, as well as South America and New Zealand. Standouts for quality and character, the sons are among the tops in Performance tests, the daughters rate star billing as breeders and for their ability to raise their calves well.

Moray Jackaroo, champion son of the 3800 guinea Perth winner, Millhills Jubilee, has developed beyond all expectations. His first calves are evidence that he should prove a worthy successor to Phopachy Diplomat. All Glenburn heifers of serviceable age are bred to him.

Perennial contenders for top honours at major Canadian shows since 1927, we are proud that our breeding programme has been sufficiently constructive and in keeping with breed progress that animals with up to six generations of our own breeding brought us so close to the Premier awards at the C.N.E.

We are convinced that this offering tops all our previous efforts, and that prospective buyers can rely implicitly on the sound performance to be expected from Glenburn Shorthorns.

REFERENCE SIRE C.

PHOPACHY (Fop-a-Key) DIPLOMAT—Sired by the 4700 guinea Naemoor Marshal and out of a dam whose top sires are those of the great Kirkton Baronet. Diplomat is almost a full brother of the sire of Lawton Nelson, supreme champion of the Palermo show in Argentina. Roth's Queen Tansy is the granddam of Kirkton Envoy, and the line of sires is identical but for the omission of Calrossie Broadhooks Bounty from the pedigree of Envoy. His daughters averaged \$994. at auction in 1951, \$1021. in 1952. He sired the grand champion steer of the 1953 C.N.E., the grand champion bull of the 1953 New Zealand Royal and the grand champion female of the 1953 Maritime Winter Fair, and the C.N.E. and London Champion of 1955, Glenburn Graceful Lass 16th.

Kirkton Formula is a full brother of Kirkton Envoy, stock bull at Lawton, who was the sire of the Perth reserve champion, Lawton Nelson, sold for 6,600 guineas, and later the 1952 supreme champion at Palermo in the Argentine. In the 1952 Perth Sale, sons of Kirkton Formula averaged \$5800. with the top of \$9000. going to Saltoun. He is also the sire of Easterlovat Lulu sold in the 1953 Campbell sale for \$3600. Calrossie Princess Mona was dam of three Perth champions including Calrossie Control. A "Laddie" daughter sold in the recent Gardhouse - Merry sale for \$1300. Unfortunately we lost his services too early and this is the only group of his get that will be available.
